SUMMER 2016 - 2017

EVERYDAY

It is recommended that children bring sun-safe swimmers and a towel whenever they attend our summer program, as our team will often offer impromptu water play.

EXCURSIONS

Excursions are programmed on a regular basis. Please note that we limit the amount of children attending excursions to ensure your child's safety. Bookings are essential, and we recommend booking early to avoid disappointment. When making a booking for a water based excursion, please carefully consider your child's swimming ability and water confidence. For all excursions, we require that children wear a hat, sun smart clothing (shoulders covered), enclosed footwear (no thongs) and bring a water bottle. For water based excursions we strongly recommend that children wear a rash shirt. Please see a staff member for a permission form for each excursion, as a completed form is necessary for every child prior to departure.
