

New Pathways at NCC:

Creating Tomorrow, Today

**A GUIDE TO WHAT'S ON OFFER
IN YEARS 10-12 AT NCC.**

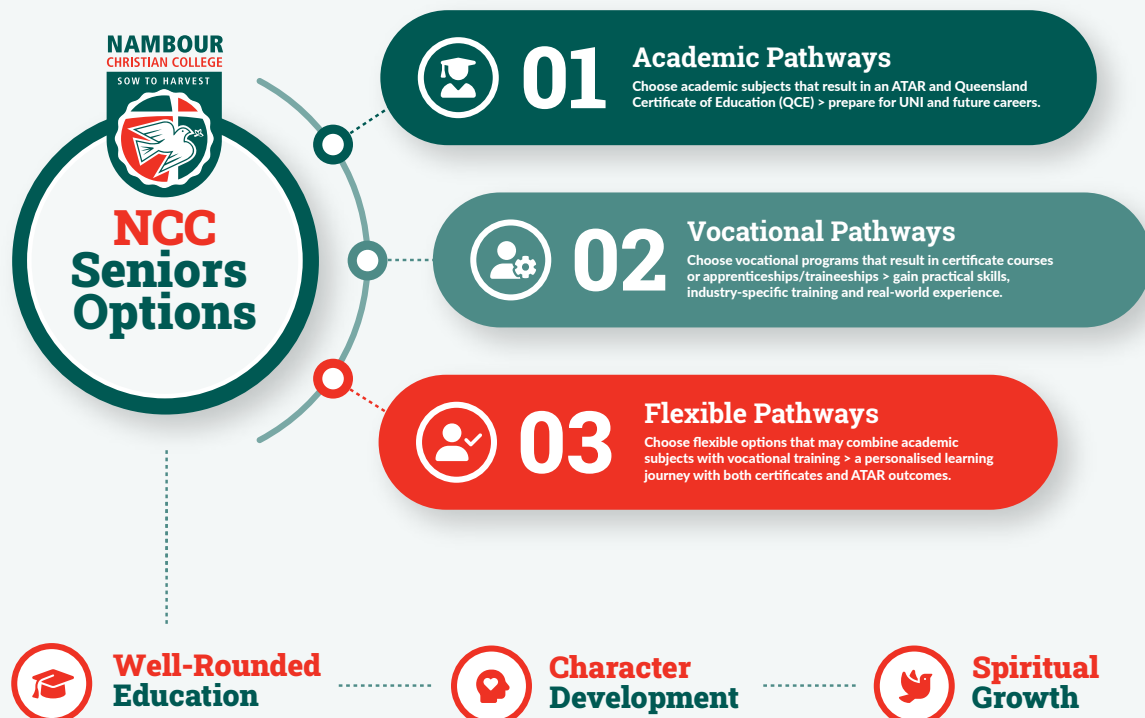

Understand the choices for further study, industry training and career pathways.

AT NAMBOUR CHRISTIAN COLLEGE, STUDENTS IN OUR SENIOR SCHOOL (YEARS 10-12) ARE CAREFULLY GUIDED IN THEIR CAREER PLANNING AND SUBJECT SELECTIONS TO CHOOSE THE RIGHT PATHWAY TO SUIT THEIR INTERESTS, PASSIONS AND SKILLS.

Effectively, they can create their own tomorrow, today—with many students starting their future careers while in senior school.

At NCC, students can choose from three main pathways, that provide them with secure futures. Our New Pathways program is designed to offer students various options to shape their futures, either through rigorous academic programs, hands-on vocational (industry) training, or flexible learning opportunities.

New Pathways: Creating Tomorrow, Today

NCC IS COMMITTED TO PROVIDING A WELL-ROUNDED EDUCATION THAT GOES BEYOND DEVELOPING KNOWLEDGE AND SKILLS THROUGH ACADEMIC EXCELLENCE. IT ALSO FOCUSES ON CHARACTER DEVELOPMENT, LEADERSHIP, SPORTING AND CULTURAL ACCOMPLISHMENTS AND SPIRITUAL GROWTH.

*Our **New Pathways** program is underpinned by an integrated range of facilities, courses, services and staff to enable our senior students to reach their full potential.*

Purpose-built industry training facilities

including a Hospitality training precinct, agricultural farm (Berakah Farm), Industrial Design and Tech complex, sports precinct.
