

We have an opportunity available for students commencing year 12 in 2026 to start a school-based traineeship working towards their Certificate III in Pipe Laying.

The traineeship would involve 1-2 days per week during school term, and additional hours over their holidays. It would be with view to turn into a permanent role once they completed their schooling.

They would be working on Civil projects on the Sunshine Coast Region within our Pipe Crew 6:30am-5:00pm

Traineeship rates would apply, and they would need to be working towards obtaining their driver's license and have transport to get to site at 6:30am on their work days.

If you or someone you know is interested, or if you would like to discuss the opportunity further please don't hesitate to reach out via email or at 5458 3349
